

# DC Test Connector MA009073

## ELECTRICAL

Current Max.	5A
Voltage Max.	48V
Operating Temperature	0°C - 60°C

MA009073 is a highly durable test plug for testing 2.5/5.5mm DC-connector interface. It has a DC-jack with 2x0.50mm<sup>2</sup> cable for easy integration. Length of the cable is 300mm.

## MECHANICAL

Durability	50k cycles (typical)
